ATTRIBUTES

COMMUNICATION
As a student rep, my ability to comminucate between the head of department and the student body is crucial to the role.

TEAM LEADER
My role as event curator for Hudscape meant that I was expected to manage a team of creative and business minded people. In addition, I liaised with potential partners of the project.

INITIATIVE
Wanting to get the most out of university, I take on extra projects through Collabhub: a group of collaborative students. Much of my freelance work has come through connections made here.

CREATIVE INTERESTS

- Visualising intangible concepts
- Miniature art
- User experience & installation
- Light art installation
- Surreal photography
